Dine For Life

Twenty top restaurants across the city served special tables of food lovers and kind hearts for the annual Dine For Life dinner. Supping on some of the best food and wine in the State, guests came together to raise funds to help eradicate child sexual exploitation, with this year's efforts going to the Child Wise, Speak Up program. Founders Natasha Di Ciano and Andjelka Matic set the scene for a night of decadence and refined pleasure as they met up with their 200-plus guests at the secret after-party held in the glorious rooms of Linton and Kay Galleries. Seen were Tony McManus, Linton Partington and Rayne Embley.

Iron Eagle

West Coast Eagle retiree, super footballer and all-round good guy Dean Cox officially launched his autobiography *Iron Eagle* with an early morning breakfast at the Hyatt Regency. Hundreds of guests filled the room to hear the 203cm-tall man speak candidly with *The West Australian's* Mark Duffield about the highlights of his 15-year AFL career, including being named six times an All Australian player, club record holder, and the difficult times of upheaval at a club tarred with drug use.
