Marking the start of Perth's party season with our Summer Dinner on December 1, we are supporting the Samaritans Crisis Line in fostering positive change in the lives of those affected by loneliness, depression and suicide.

All funds raised will contribute to marketing and promoting the Samaritans Crisis Line – recruiting volunteers and raising public awareness of the vital support that is available to anyone in their time of crisis.

The event is a truly unique dining experience. 100 people dining simultaneously in ten of Perth's finest restaurants, sharing good food and good company for a good cause. And to follow, a fabulous after-party will be held at a surprise location, with a short presentation from the Samaritans.
